

115th Runoia Reunion Program

Reunion Program Committee

Marie-Claude Francoeur, Co-chair Betsy Nicholson, Co-chair
Sharon West Sarah Sutel Looper Rachel Sutel Sherman

Join us on August 13-15 2021 for the Reunion, celebrating 115 years of Camp Runoia! We will spend a weekend together catching up, sharing our stories of how alumnae are using the Runoia value of resilience in their lives, and of course participate in all of our favorite camp activities. Get ready for some healthy Blue-White competition as well! We will tally points prior to the reunion for finding a lost alum and duke it out over the reunion weekend through the famous Oak Island swim and a "Runoia Open Tennis Tournament." Our fundraising goal towards camperships is 115 new donations.

It is our intent to gather for the 115th reunion safely. If COVID still presents a threat by August of 2021, we will either adjust the program to ensure safety per state protocols or postpone the event to 2022.

Register for the Reunion [HERE](#).
