Liz Dubin Nadzo shares her story about **Sarah Nadzo's** connection to Lucy Weiser:

She was "Great Aunt Lucy" to us. I believe that my Nana, Elizabeth "Betty" Barr was Lucy's niece -- that is what sparked my Nana Betty to attend the newly formed

Camp Runoia and then, in turn, to send my mom, Betsy Speicher and her sister Ann Speicher Cahill. My Nana was adopted so this would not be a biological connection. I grew up hearing that "Great Aunt Lucy and her companion" founded Camp Runoia and, as is the way with kids, I probably tuned out the rest!

Besides being connected to **Lucy Weiser**, **Sarah Nadzo** is a fourth-generation camper! As is **Bella Shannon**, great granddaughter of **Helene Master**, granddaughter of **Nancy Master Wissinger** and daughter of **Allison Wissinger**. **Molly and Sawyer Kells** join in being fourth-generation with great grandmother **Betty Cobb** (who was not a camper), grandmother, **Pam Cobb Heuberger** and mother, **Jai Kells**.

Jane Orbeton and granddaughter and current camper **Lucy McKenna** visited after camp. Pictured with Janie-O on left and the **McKenna** family on right.

Jane Sullebarger was at Hello Good Pie in Belgrade Lakes Village on Indigenous People's weekend and said "Pam, Pam, is that you?". Well indeed, it was Pam disguised as a ray of sunshine washing dishes at her friend's bakery.

Pam spied **Tracy Diamond Ehlers** in the village as she was brining **Hannah Ehlers** to UNE to study OT and Sports Medicine.

Chad Diamond helped our Harmony Land campers attend the Belgrade July Fourth Parade in his antique truck. Thanks Chad! The girls always have a blast!

Letter from the CRAO President

Dear Runoia Alums,

We've definitely turned the page on the season. The slow slide from summer into gorgeous fall colors, cool days, and crisp nights is a distant memory now that we live in early afternoon darkness. It's time to start your winter longings for a summer on the lake!

The Alumnae Organization is beginning its own slow transition with the newsletter. At our annual meeting this summer, the CRAO board decided to reduce the size and scope of our paper mailings. But don't worry! There will still be a full newsletter, twice yearly, that you can pore over for photos, news, and events to reconnect you to your camp friends and memories. It will be accessible via a link on our web page, or via email for those who provide a current email address. **(If you're not a computer person, we can still provide you with a paper copy.)** We've resisted change, but we realize it's time to go to an eNews format. [Here's the link to the CRAO news online:](#)

Why should you give us your email?

- To help us reduce paper waste, and our impact on the planet;
- To help us save money. We'll use the savings to provide more scholarships! (It costs over 5K to send out a paper newsletter twice a year.)

- To help us reach you wherever you live and through all your life changes;
- To help us grow the alumnae network, and connect alums from all over the world.

It's so simple: **include your email on the enclosed donation envelope and drop it in a mailbox** (preferably *with* a donation, but the gift of your email is important, too). Or you can just send us a quick note at cralums@gmail.com to opt in to future electronic mailings. Send news, too!

Speaking of which, remind me why I should support the CRAO?

-You will help make a camp experience possible for many, many families. Last year we gave over \$60,000 to Camp Runoia; this gift made camp possible for 28 girls to attend camp for the first time or to return for another summer. In our short history, we've provided over \$600,000 in tuition assistance, helping over a hundred girls reap the benefit of a summer (or many summers) at camp.

-You will help campers with bigger dreams. This past summer we enhanced our giving program with riding scholarships. For the first time ever, we donated \$3,000 to Runoia so that 14 girls could reap the benefits of more riding instruction — more than their families might be able to afford.

How else can I help?

Save the date for our 115th anniversary reunion! Start getting in touch with old friends and make a plan to return to the shores of Great Pond. It seems a long way off — **August 13-15, 2021** — but it is not! We will also need many volunteers to help make this the biggest alumnae gathering yet. Sign up to be on a reunion committee by contacting Marie-Claude Francoeur (marieclauderfrancoeur@gmail.com) or Betsy Nicholson (nicholsonbetsy@gmail.com).

Chadiyah!

Boop Tabell Jordan
 CRAO President of the Board of Trustees

Remember the times you've had here,
 Remember while you're away,
 Remember the friends you've made here,
 And don't forget to come back some day,
 Remember the blazing campfire,
 The shining waters, too,
 For you girls belong to Runoia, and Runoia belongs to you!
