## Martin-Stumpp-Yates

1914

Florence "Fluffy" Martin spends the first of three summers at Runoia; camp had just moved to its current location from across the lake.

1940

Florence's daughter, Frances "Stumppy" Martin Stumpp (right), begins the first of two summers at Runoia. She and her friends, "Tay Tay" Taylor, Joan "Baynie" Bayne, and Claire Canoff would all later send daughters to Runoia. Her favorite song was "The Pines at Runoia." She loved playing softball for the blue team.

1964

Frances' daughter, Sue "Yatesy" Yates, starts the first of five summers as a camper, and becomes a blue team member.

Yatesy joins the Camp Runoia Alumnae Association board.

1970

Yatesy returns to camp for the first of four summers as a counselor.
