Mott-Auns

In 1954, Mary Jane (M.J.) Mott began the first of ten summers as a camper, CIT, Aide, and Counselor. She is pictured with Liz Bowman in the 1963 log photo at right.

In 1985, M.J. re-joined the Runoia staff for the first of five years, enjoying summers at camp with daughter Krissy.

It's a girl! M.J.'s daughter, Krissy Auns, is introduced to Miss Weiser at the tender age of three months. In 1983, Krissy started camp as a third shacker, the first of seven summers at Runoia.

Here's Krissy (right) as a fifth shacker in 1985. Shelley Ahern, a third generation alumnae daughter, is pictured at left. Shelley's mom was Jan Leader.

M.J.'s granddaughters, Christina and Mariana, are now Runoia girls! They were Harmonyland campers in 2019, and returned for Harmonyville, the pandemic version of camp, in 2020!

2019

In 2020, M.J. began her 35th year as a trustee of the Camp Runoia Alumnae Organization. Krissy is co-chairing the Oak Island Swim event for the 115th celebration in August 2021. M.J.'s granddaughters (Krissy's nieces) will hopefully return to Runoia in 2021 in a post-pandemic world. Three generations!
